

Search for a Livestock Disease Report

Pg. 1 of 1

An EIDSS user with the appropriate permissions can locate reports in the database. This quick guide presents the steps to search for a livestock disease report.

1. From the **EIDSS Dashboard**, choose **LIVESTOCK REPORT** from the **VETERINARY** drop-down menu. The **Livestock Disease Report** screen appears.

2. Enter as much information as possible about the disease report for which you are searching. **Note:** Fields marked with a red asterisk are mandatory. **Note:** Partial entry is acceptable for the **Report ID**.

Tip 1: To navigate to the desired date, click a **Calendar** icon and then the **Select Month > Select Year > Select Decade** bars at the top of the calendar.

Tip 2: To return to the previous screen without saving entered information, click **Cancel**.

Tip 3: To delete entered information, click **Clear**.

Tip 4: To further filter a search, click the **Show/Hide** icon next to **Advanced Search**, enter as much information as possible, and click **Search**.

The screenshot shows the Livestock Disease Report search form. The form includes fields for Report ID, Species Type, Disease, Report Status, Report Type, Region, Rayon, Settlement Type, Settlement, Date Entered From, Date Entered To, and Case Classification. A red circle with the number 2 is next to the Report ID field. A red circle with the number 3 is next to the Search button. A red circle with the number 4 is next to the Advanced Search section.
