

Print a Paper Form

Pg. 1 of 1

An EIDSS user with the appropriate permissions can produce paper forms that are blank or populated with disease report data. This quick guide presents the steps to print a blank or populated form.

1. From the **EIDSS Dashboard**, click **PAPER FORMS** in the **REPORTS** drop-down menu and then click the desired form. The chosen form appears.

2. Click **Print**. The computer's **Print** window appears.
3. Follow your device's print instructions. The desired form is printed.
