

Access a Standard Report

Pg. 1 of 1

An EIDSS user with the appropriate permissions can open reports from the database. This quick guide presents the steps to access a standard report.

1. From the **EIDSS Dashboard**, click **STANDARD REPORTS** in the **REPORTS** drop-down menu.
2. Click the appropriate report type and then click the desired report. The corresponding report screen appears.

Tip: The aberration analysis reports can be accessed from the **HUMAN** and **VETERINARY** drop-down menus.

3. Choose parameters for the desired report.
4. Click **View Report**. The report is generated.
