

Print a Layout

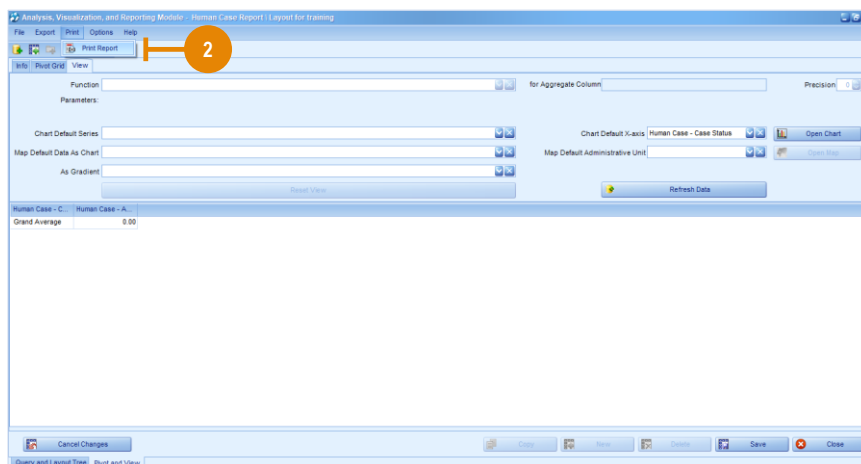

Pg. 1 of 1

An EIDSS user with the appropriate permissions can print a report from the data in the layout's View tab within the Analysis, Visualization, and Reporting (AVR) application. This quick guide presents the steps to print a layout.

1. From the AVR **Query and Layout Tree**, double-click the layout you wish to print. The layout appears with the **View** tab open.

2. Choose **Print Report** from the **Print** drop-down menu. The **Preview** window appears.

3. Click the **Print** icon. The report is printed.
