Edit a Livestock Disease Report
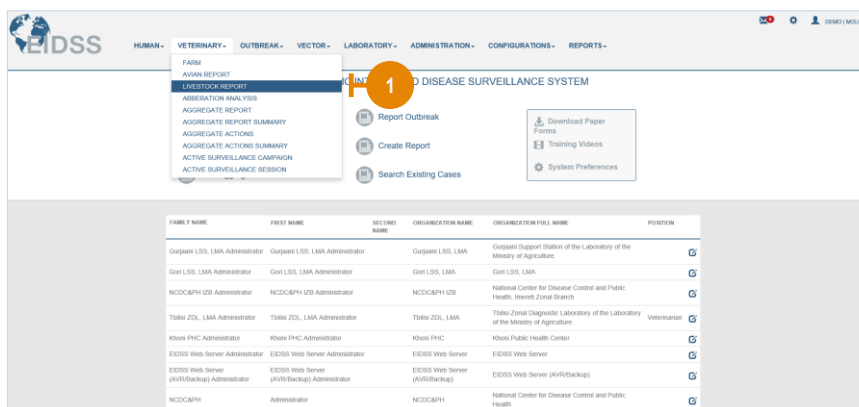

An EIDSS user with the appropriate permissions can revise reports in the database. This quick guide presents the steps to edit a livestock disease report.

1. From **the EIDSS Dashboard,** choose **LIVESTOCK REPORT** from the **VETERINARY** drop-down menu. The **Livestock Disease Report** screen appears.

2. Enter as much information as possible about the disease report you wish to edit. **Note:** Fields marked with a red asterisk are mandatory. **Note:** Partial entry is acceptable for the **Report ID.**

   Tip 1: To navigate to the desired date, click a **Calendar** icon and then the **Select Month > Select Year > Select Decade** bars at the top of the calendar.

   Tip 2: To return to the previous screen without saving entered information, click **Cancel.**

   Tip 3: To delete entered information, click **Clear.**

   Tip 4: To further filter a search, click the **Show/Hide** icon next to **Advanced Search,** enter as much information as possible, and click **Search.**

3. Click **Search.** The **Search Results** appear.
