View an Animal Disease Report (Human User)

An EIDSS Human module user with the appropriate permissions can access animal disease reports in the database. This quick guide presents the steps for an epidemiologist to view an avian or livestock disease report.

1. From the **EIDSS Dashboard,** choose **AVIAN REPORT** or **LIVESTOCK REPORT** from the **VETERINARY** drop-down menu. The appropriate **Disease Report** screen appears.

2. Enter as much information as possible about the disease report you wish to view. **Note:** Fields marked with a red asterisk are mandatory. **Note:** Partial entry is acceptable for the **Report ID.**
   > **Tip 1:** To navigate to the desired date, click a **Calendar** icon and then the **Select Month > Select Year > Select Decade** bars at the top of the calendar.
   > **Tip 2:** To return to the previous screen without saving entered information, click **Cancel.**

   > **Tip 3:** To delete entered information, click **Clear.**

   > **Tip 4:** To further filter a search, click the **Show/Hide** icon next to **Advanced Search,** enter as much information as possible, and click **Search.**

3. Click **Search.** The **Search Results** appear.

View an Animal Disease Report (Human User)

Tip 5: To revise the **Search Criteria,** click **the Show/Hide** icon, make the necessary changes, and click **Search.**

Tip 6: To view additional information, click the **Show/Hide** icon next to the desired report.

4. Click the **Report ID** corresponding to the desired report. The chosen **Disease Report** screen appears displaying all sections of the report in read-only mode.
