Delete a Veterinary Active Surveillance Campaign

An EIDSS user with the appropriate permissions can remove active surveillance campaigns from the database. This quick guide presents the steps to delete a veterinary active surveillance campaign.

1. From the **EIDSS Dashboard,** choose **ACTIVE SURVEILLANCE CAMPAIGN** from the **VETERINARY** drop-down menu. The **Veterinary Active Surveillance Campaign** screen appears. **Note:** Any associated active surveillance sessions must be removed before a campaign can be deleted.

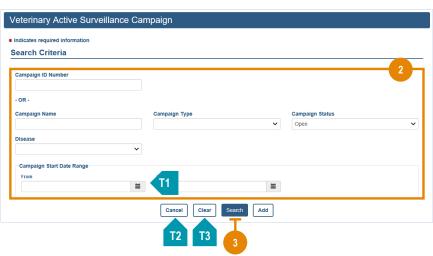

2. Enter as much information as possible about the campaign you wish to delete. **Note:** Partial entry is acceptable for the **Campaign ID Number.**

   Tip 1: To navigate to the desired date, click a **Calendar** icon and then the **Select Month > Select Year > Select Decade** bars at the top of the calendar.

   Tip 2: To return to the previous screen without saving entered information, click **Cancel.**

   Tip 3: To delete entered information, click **Clear.**

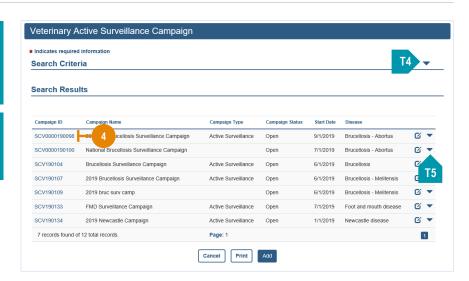

3. Click **Search.** The **Search Results** appear.
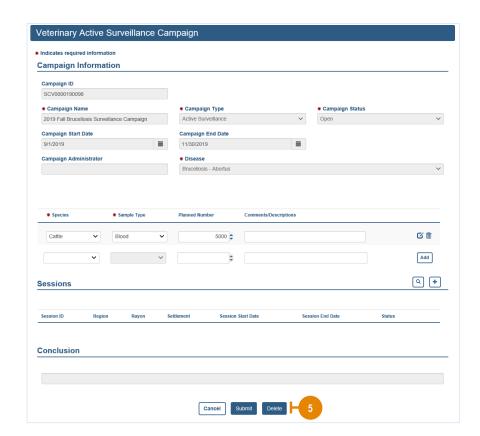

Delete a Veterinary Active Surveillance Campaign

Tip 4: To revise the **Search Criteria,** click the **Show/Hide** icon, make the necessary changes, and click **Search.**

Tip 5: To view additional information, click the **Show/Hide** icon next to the desired campaign.

4. Click the **Campaign ID** corresponding to the desired campaign. The **Veterinary Active Surveillance Campaign** screen appears displaying all sections of the campaign.

5. Click **Delete.** A confirmation dialog box appears.

6. Click **Yes.** A pop-up appears confirming successful deletion of the campaign.
